Digital Design and Media Production

Audio/Video Production 1

Audio/Video Production 2

Practicum in Audio/Video Production

Students work in the Rattler Broadcast Studio, a state-of-the-art lab space including a computer lab, a control room, and a recording studio. All spaces are connected through monitors allowing students to work in and observe each space in the broadcast process. Students create movies, commercials, and other materials for real-life clients, learning the skills necessary for a career in the Audio/Video industry.

College Majors
