

San Marcos High School CTE

Diagnostic & Therapeutic Services: EMT

Principles of Health Science

Medical Terminology

Anatomy & Physiology

Emergency Medical Technician

Students work in the Health Science Laboratories, in true-to-life simulations, including a full-scale ambulance simulator, to learn the skills necessary to work as an Emergency Medical Technician. Students work not just in the campus labs but in off-campus health care facilities to earn hours and develop practical knowledge for entry into the Health Science Industry.

College Majors

Registered Nursing

Emergency Medical
Technology

Nursing Administration
