

MEET THE LIBRARIAN!

Mrs. Miller

About Me

Hi, Superstars! My name is Mrs. Miller. I live in Canyon Lake with my husband, our two boys and dog. I graduated from Texas State University with both a Bachelors and Masters degree in Elementary Education and received my School Librarian certification from Texas A&M University-Commerce. This will be my fourth year as a librarian and my tenth year in education. When I'm not at school, I love reading books, watching shows, shopping, and exploring the Texas Hill Country. I'm so excited to continue our journey together at Crockett reading and discovering new things!
