

## San Marcos C.I.S. D. Facilities Use Procedures

The primary purpose or function of public school facilities is to provide quality educational environments conducive to the learning of the students they serve. San Marcos Consolidated Independent School District (SMCISD) also endeavors to support the cultural growth, as well as the physical and moral development, of its students through after school activities. SMCISD also is proud to support the growth and development of the citizens of the San Marcos community as well. To accomplish this, SMCISD allows limited use of buildings and grounds by the community for educational, recreational, civic and cultural activities to the extent possible under public school laws and regulations. Accordingly, any community use of school buildings or grounds is subject to the needs and convenience of the District and may be permitted so long as such use does not conflict with the District's use of school buildings and grounds for public school purposes and activities or with the proper care and maintenance of District facilities or grounds. No rentals of facilities may occur during school hours on official school days while school is in session, during school shutdowns, or on official school holidays as shown on the official District calendar which can be accessed at: [www.smcisd.net](http://www.smcisd.net). The parties recognized and agree that SMCISD facilities are made available to K-12 community groups as an extension of SMCISD's educational mandate and are not to be considered a commercial venue.

All use of school facilities by non-district entities will need to coordinate through the office of the Associate Director of Facilities and Energy Management located at 201 S. Suttles, or call 512-393-6500.

**A \$200 refundable deposit will be secured at the execution of the contract made payable to SMCISD. The remainder of the payments must be made 2 weeks prior to dates of requested usage unless approval is given by the Superintendent or his designee. Failure to pay any deposits, fees, or costs associated with the rental may result in the loss of rental privileges.**

Please do not park in fire lanes, by fire hydrants, blocking driveways, in handicap spaces, or in handicap accessible routes. Violators will be subject to citations from appropriate law enforcement officials that observe the violations. Continued or sustained violations may be subject to be towed from the property.

## **Integrated Pest Management Program**

The Texas State Legislature passed legislation requiring ALL school districts to have an Integrated Pest Management program adopted by September 1, 1995. Integrated Pest Management, or IPM, is simply a strategy that relies on a combination of the best available control tactics, with an emphasis on the least hazardous methods, to effectively and economically reduce pests. IPM relies heavily on information about the pest, and its changes in population to devise accurate and targeted control strategies that require minimal, or no, use of pesticides. IPM is a collaborative effort involving administrators, teachers, students, facilities staff and pest control operators, among others.

Per SMCISD Board Policy, CLB (LOCAL), In accordance with Part 4, Title 7 of the Texas Administrative Code and Chapter 1951 of the Occupations Code, the District's IPM program shall govern the District's use of pesticides, herbicides and other chemical agents for the purpose of controlling pests, rodents, insects and weeds in and around District facilities. The Superintendent shall designate the IPM coordinator(s), who shall be registered with the Texas Department of Agriculture. The IPM coordinator(s) shall receive training in accordance with law.

No other employee or other person or entity shall be permitted to apply a pesticide or herbicide at a school facility without the prior approval of the SMCISD IPM coordinator and other than in the manner prescribed by law and the District's Integrated Pest Management program. For any questions or to obtain assistance with IPM please contact SMCISD Custodial Services at 512-393-653.

Violation of these guidelines may be cause for expulsion from District property and/or loss of rental privileges. Any repair cost will be billed to the renter.

2. Spills should be removed as quickly as possible. Thoroughly rinse any cleaning attempts to avoid slippery areas that could result in injury.

## DO YOU NEED A TEMPORARY FOOD EVENT PERMIT?

Festivals, parades, celebrations and other special events contribute to the quality of life. Most of these events also feature food for sale or distribution. These Temporary Food Events (TFE), such as traveling fairs and carnivals, circuses, multicultural celebrations, special interest fundraisers, restaurant food shows, and other gatherings, have become extremely popular and are held with increasing frequency in our community. Many of these TFE can involve extensive preparation and processes that include the cooking and advance preparation of food prior to service. Anytime food is being handled there is a possibility of the food becoming contaminated. Some foods such as raw meats and poultry can be contaminated prior to obtaining them. It is estimated that 76,000,000 cases of food borne illnesses occur every year and there are emerging illnesses and drug resistant bacteria that are increasing the hazards. No one wants to make anyone ill and with this in mind the Texas Food Establishment Rules (TFER) provide guidelines for permitting and food safety standards for all food establishments. The Texas Department of State Health Services has established procedures that can assist with the advanced planning and management of TFE. We ask for your support in promoting these food safety practices.

The City of San Marcos Environmental Health Department/Hays County Development Services Division may require individuals or organizations to obtain a temporary food service permit for any event in which they are offering food for public consumption.

If you can answer “Yes” to any of the following questions you may need to obtain a temporary food service permit.

1. Is the general public invited to the event?
2. Can a person other than a member of the organization and their family members or invited guest attend?
3. Have you advertised the event or sold tickets to the general public?

The following is a list of minimum guidelines for food safety:

- NO HOME PREPARED FOODS other than baked goods such as cookies, brownies, cakes can be prepared and served.
- Hand washing and ware washing facilities must be provided. The hand washing facility is a container that allows for water to flow freely with a catch bucket below (i.e. a tea urn with the spout propped open) and provided with soap and paper towels. The ware washing facility can be three separate containers set up for washing, rinsing and a bleach solution.
- All foods must be cooked to required temperatures (Ask about specific foods you want to offer)
- Hot foods must be held at 140°F or above o Cold foods held at 41°F or below
- All foods must be kept covered
- Overhead and floor covering must be provided.

## SMCISD Fee Waiver/Reduction Requests

Requests for fee waivers or reduced fees are determined on a case by case basis for community based events and community fundraisers that are associated with and aligned with the Mission of the San Marcos Consolidated Independent School District (SMCISD).

Fee waivers or reduced fees on rentals of facilities, fields, and properties must be submitted in writing with a letter of justification for the reduction or waiver, and must be approved by the SMCISD District Administration.

Eligible Organizations:

**Note: Eligibility does not imply or mean associated fees will be waived or reduced.**

- Non-profits with 501(c)3 status.
- Clubs and organizations that provide educational or community program opportunities that consist mainly of SMCISD students or are designed to solely support SMCISD students.
- Groups that have partnered with SMCISD to offer educational or cultural improvements and opportunities that are aligned with the SMCISD core values beyond the scope of the educational or cultural benefit that the District provides.
- SMCISD departments or campuses that are hosting an officially sponsored SMCISD event, program, convention, or activity.

Requirements:

This application does not guarantee the availability of SMCISD locations. You must have completed all applicable reservation procedures, including but not limited to reserving the facility and have paid the security deposit as required by the SMCISD Facilities Use Procedures. 1. Complete the attached request for reduced or waived fees, attach the justification letter as an addendum, and attach a copy of your completed rental application.

4. If your agency is a non-profit, a copy of your 501(c)3 must be attached.

Non-Waiveable Fees: All renters regardless of waived or reduced facility fees are required to pay the refundable \$200.00 security deposit.
